source over-

heard a conversation between a senior lieutenant of an artillery unit in Stockerau (O 49/S 21) and a lieutenant of a medical unit presently at Baden (O 49/X 37) but previously stationed in Stockerau or Korneuburg (P 49/S 30). The officers mentioned the following units and officers:

- a. 1064th AAA Regt of the 22d Gds AAA Div.
- b. 54th Indep Co in connection with a Captain Belokov, (fnu).
- c. Major Fedorov (fnu); Captains Vasilin (fnu), Karnaukhov (fnu), and Bronshtein (fnu); and Lieutenant Krasnoshchekov (fnu). *

25X1A *

Comment. A 22d Gds AAA Div is not carried in Austria. The correct numerical designation of the division was probably 23, inasmuch as a 23d AAA Div was previously mentioned as an overt designation. See [redacted] Since it is a component of the 23d AAA Div, the 1064th AAA Regt can thus be considered confirmed until [redacted] 1951. A 54th Indep Co has not been previously identified.
